BSc. (Hons) Human Resource Management

A. Programme Information

Human Resource has proved to be one of the most important resources of any organization and one of the most challenging to manage. Planning for sourcing, attracting, improving, retaining human resource and phasing them out of an organization is becoming increasingly complex and has posed the need for professional management of human resources. Organizations have come to terms with the importance of modern approaches human resources management. Sound and effective human resource management policies are now essential to obtain the highest level of efficiency from the human resource of organizations to ensure their survival in today's globally competitive world of business and in the public sector as well. The BSc (Hons) Human Resource Management is being offered by the University of Technology, Mauritius on both, full time and part time basis. It offers opportunities for school leavers and for those already in employment aspiring to join the HR field to gain the much needed competencies, skills and sound knowledge to effectively tackle the most valued asset of an organization, the people working there. The Programme is run over a period of 3 years full time and 4 years part time with each level having two semesters for full-time and 3 semesters part-time, offering three exit points, namely at level 1 with a Certificate in Management, at level 2 with a Diploma in Human Resource Management and consequently level 3 with a Bachelor's Degree in Human Resource Management.

Note: Level 3 of the Programme also stands alone as a BSc (Hons) Top-Up in Human Resource Management. Applicants should normally hold a Diploma in Human Resource Management or any other qualifications acceptable to the school APL/APEL committee.

B. Programme Aims

This Programme is basically meant for both HSC holders aspiring to work in the Human Resource or a related field, and also those already in the HR/ Personnel cadre but wishing to probe further in the quest of better expertise and skills. It will enable students to:

- Better understand the business environment of organizations and the challenges facing them;.
- Appreciate the importance of effective human resource management in an organisation and prepare them to defend HRM initiatives in the boardroom and bring HR at the strategic levels within organizations.
- Master the knowledge, competencies and skills required to plan for and manage human resource in the current turbulent and changing environment of organizations;.
- Manage human resource using the latest techniques and developments in the field of HRM.

C. Programme Objectives

At the end of the programme those who have successfully completed the programme should be able to:

- Understand the complexity of human beings and their behavior as individuals, in groups or in teams

- Analyze the complex and turbulent environment in which organizations operate
- Understand the different resources an organization deploys to achieve its objectives
- Appreciate the role of human resource in achieving organizational objectives
- Understand the relatedness of different management functions and resources
- Use mathematical and statistical techniques to collect, organize, analyze and present information for decision-making and presentation
- Forecast resource and human resource requirements of an organization
- Plan for quantitative and qualitative human resource needs of organization
- Present human resource initiatives in hard financial terms to management
- Understand and apply the employment and other related laws to human resource management in the Mauritian context
- Identify the training and development needs of organizational human resource
- Ensure HRD initiatives effectively and efficiently meet their objectives
- Attract, retain, motivate, add value to human resource/talents of an organization
- Manage the politics of organization bearing in mind human beings are complex animals
- Apply modern HRM techniques including ICT in managing HR effectively and flexibly
- Prepare HR and the organization to do business sustainably

PART I - Regulations

D. General Entry Requirements

As per UTM's Admissions Regulations, and 'Admission to Programmes of Study at Degree Level' or APL / APEL requirements.

Note: Exemptions as per regulations will apply

E. Programme Mode and Duration

For Diploma in Human Resource Management

Full Time: 2 Years (Maximum duration 4 Years)

Part Time: 3 years (Maximum duration 5 Years)

For Degree in BSc (Hons) in Human Resource Management

Full Time: 3 Years (Maximum duration 6 Years)

Part Time: 4 Years (Maximum duration 7 Years)

F. Teaching and Learning Strategies

The programme will employ a wide variety of teaching methods, including face-to-face lectures, blended learning approaches, individual or group projects, presentations, workshops, case studies, field visits, work placement and talks by guest speakers. Self-learning will be the key feature of the programme,

enabling students to explore, investigate and research into the various topics, interact with practitioners, and work in teams on projects. Students will also have to go on placement which will be monitored by the work placement placement unit.

One Module will carry 150 hours of learning comprising of 45 hours of delivery which could be any combination of face to face, blended, online, seminar, workshop, or joint session. The remaining 105 hours will cover self learning, self study, guest lecture, etc.

G. Student Support and Guidance

In addition to traditional lectures, group tutorials or individual tutorials are arranged for students, face-to-face or online.

H. Attendance Requirements

As per UTM's Regulations and Policy.

I. Credit System

The modules carry 6 credits each as per the programme structure.

Exit Points:

Certificate : 60 credits (Certificate in Management)

Diploma : 120 credits (Diploma in Human Resource Management)

Degree : 180 credits (BSc. (Hons.) in Human Resource Management)

Ordinary degree may be awarded as per regulations.

J. Student Progress and Assessment

For the award of the Degree all modules must be passed overall with passes in coursework and examination combined. All modules will carry 100 marks and will be assessed as follows (unless otherwise specified):

Invigilated examinations will be up to 3-hours' duration contributing to 70% of the total marks and continuous assessment will carry 30% of total marks. The University may also apply alternative modes of assessment. Continuous assessment can be based on projects, assignments, presentations and/or class tests.

Each module carries 100 marks and unless otherwise specified will be assessed as follows:

- Continuous assessment carry 30% of the total marks. Continuous assessment can be based on a combination of projects, assignments, field study, workshops, surveys, practical, presentation and class tests;
- Modules 'Essentials of Statistics', 'Business Communication' and 'Statistics for Management' will be assessed on a 50:50 coursework/exams basis. The coursework must consist of at least one class test and two assignments;
- 'Digital Skills' and 'Business Research Methods I and II' will be assessed over 100% coursework.

Module Grading Structure

Undergraduate / Postgraduate		
Overall Marks	Grade	Remarks
$70 \leq X \leq 100$	A	Excellent
$60 \leq X < 70$	B	Very Good
$50 \leq X < 60$	C	Good
$40 \leq X < 50$	D	Satisfactory
$X < 40$	F	Referred

K. Evaluation of Performance

For BSc (Hons):

The percentage mark at Level 1 contributes a 20% weighting towards the degree classification.

The percentage mark at Level 2 contributes a 30% weighting towards the degree classification.

The percentage mark at Level 3 contributes a 50% weighting towards the degree classification.

For Diploma

The percentage mark at Level 1 contributes a 40% weighting towards the diploma classification.

The percentage mark at Level 2 contributes a 60% weighting towards the diploma classification.

Candidates wishing to withdraw at Diploma level when registered for degree will have to interrupt their studies and graduate with a Diploma. If they wish to continue for their studies up to degree level, they will have to re-apply and re-register for the Top-Degree of the BSc Human Resource Management
A CPA of at least 70% makes a candidate eligible for a Diploma with Distinction

L. Award Classification

For BSc (Hons) or BBA (Hons):

$y \geq 70$	1 st Class Honours
$60 \leq y < 70$	2 nd Class 1 st Division Honours
$50, \leq y < 60$	2 nd Class 2 nd Division Honours
$45 \leq y < 50$	3 rd Class Honours
$40 \leq y < 45$	Pass degree
$y < 40$	No Award
