Call for poster International mathematics Day

The International Day of Mathematics (IDM) is a worldwide celebration led by the International Mathematical Union with the support of numerous international and regional organizations from all over the world. It was proclaimed by UNESCO on the 40th session of the General Conference, November 26, 2019. The first celebration was held on March 14, 2020. To mark the IDM this year, the School of Business Management and Finance in collaboration with the Department of Applied Mathematical Sciences, School of Innovative Technologies and Engineering (SITE) is pleased to launch a poster competition for UTM Students on the theme:

Mathematics for Everyone
