UNIVERSITY of TECHNOLOGY, MAURITIUS

BA (Hons) Graphics Design

JOIN NOW

Unleash your Creativity

The BA graphics design has been created to prepare students to join the industry as focused and creative professionals. It offers the students the excitement and challenges of a career in the design field. The programme aims at harnessing the intrinsic abilities and creativity of the students. Through exposure to a wide variety of concepts, challenges and media, graduates leave the program with a substantial portfolio and a wide variety of skills that are required from Graphics designers today. This programme of study ensures that students gather the necessary experience and expertise required to produce quality and market oriented graphics work.

Programme Duration

Full Time: 3 years
Part Time: 4½ years

Credit System

The programme is aligned with the European Credit and Transfer System.

Work Placement

Students are required to undergo a work placement at the second level of the programme of study.

Application Deadline: 01 April 2023
