MA Graphics Design

Master your Creativity

The MA Graphics Design is ideally suited to graduates eager to develop and extend their skills; innovative and motivated practitioners keen to progress and find a personal direction within the breadth and depth of the discipline. The course encourages advanced level of research, promoting critical analysis and exploration yet providing thorough approach to practice and theory.

Much emphasis is placed on reflective practice, innovation, critical judgement, and effective industrial skills associated with both independent and team work, through awareness, understanding and analysis of current freelance, consultancy and design employment in relationship to contemporary society.

Programme Duration

Full Time: 1 year
Part Time: 1½ years

Credit System

The programme is aligned with the European Credit and Transfer System.

Application Deadline: 01 April 2023
